

CAR & VAN RENTAL

Flexible car and van rental for all your business needs

THE RIGHT SOLUTION FOR YOUR BUSINESS

At Lex, we know that every business is different. And we understand that your requirements today may be quite different tomorrow. That's why we've created a whole range of rental solutions to support you, whatever the challenge you're facing.

Daily Rental

For instant answers

When you're faced with an urgent need for a car or van, you can trust Lex to deliver every time. Simply pick up the phone or get online and we can have a standard car or van to you within two hours. Making a one-way trip? No problem, you can return the vehicle to any branch or book a collection and we can collect from any address in the mainland UK.

Flexible Rental

For medium-term solutions

Sometimes, you'll need a car for a few months. And that's when it pays to take a look at our extended rental scheme. The longer you rent, the cheaper it gets: from a few days, a week or over a month. We can also offer great rates for pre-contract rentals – perfect for new employees awaiting company cars.

Minilease

The cost-effective plan for new vehicles

Minilease is the flexible route to a new car or van from Lex. The minimum period is only 3 months so you can boost your business when you need it, without committing yourself longer term.

Ideal for new business ventures, probationary employment periods, contract workers, coping with seasonal peaks and more. With highly competitive, fully inclusive rates; no long-term commitments; a generous mileage allowance and payments made monthly in arrears, it's the smart way to meet your medium-term vehicle requirements.

“Lex provides valuable and flexible support for our fleet through a range of innovative rental solutions.”

Ian Leonard, Group Fleet Director, Speedy Hire Plc

Van Rental

Extra capacity without extra commitment

The next time you need extra capacity but don't want the expense of a purchase or long-term lease, look no further than Lex. From small, efficient vans through to 7.5 tonne trucks, and everything in between, we've got it covered. A week, a month, a few months: whatever you need. We can even help with one-way rentals and specialist vehicles such as crew vans, mess trucks or refrigerated artics, plus all those essential accessories such as beacons, tow bars, ply-lining and roof racks (subject to availability and additional charges).

Prestige Rental

Because first impressions matter

For business or leisure, if you want to create the right impression, a luxury car makes all the difference. Lex has an extensive range of prestige vehicles at surprisingly affordable rates, from sports cars to luxury SUVs. It's also a great way to incentivise employees, too.

“Focus DIY has benefited, both financially and operationally, from Lex's online booking process for Daily Rentals. It's quick, easy to use and has transformed the way we arrange bookings.”

Nigel Stewart, Procurement Controller, Focus DIY Ltd

ADDING VALUE THROUGH EXPERIENCE
